The rate for campers is \$150.00 for hook up from Wednesday, August 18, 2021, to Sunday, August 29, 2021. Additional days are \$25.00 per day.

Stock trucks must be located along the fence between Gates 5 and 6. The cost for electrical hook up is \$150.00. There is ample electric available. Area will be lined this year.

All storage vehicles, dollies and stored concession stands, etc., that don't need to be hooked up, must be placed along the fence toward Gate 5 or outside the fence at Gate 6. We have limited space so, if they are left in the camping area, they will be charged at the same rate as a camper/trailer.
